"The wage boards at the various navy yards, under existing law," declares Assistant Secretary Roosevelt of the Navy Department. "cannot include as a member a representative of the men employed. The law requires the wage board to obtain facts regarding prices and costs of material from all shops. Private shops would refuse this information were labor representative on the board. The only way would be to amend the law or extend the powers of the board, giving the right to search private records to determine such matters of statistics."

This is the reply of Assistant Secretary Roosevelt to N. P. Allfas, president of District No. 44. International Association of Machinists, who asserts that Secretary Daniels gave reason to hope that the em

Feature of Fall Meeting of Washington Body at Riverdale Today.

Memorial services for deceased members of the Washington City Presbytery who dled during the past year were conducted while riding a bicycle at King and Royal by that body at its stated fall meeting streets at 5:30 o'clock yesterday after- today in the Presbyterian Church at Riverdale, Md.

The services were led by Moderator Hubert Rex Johnson, pastor of the Chevy Chase Presbyterian Church, and followed died during the past year were Rev. Dr. B. F. Bittinger and Rev. H. H. Allen, both of whom were retired.

The meeting opened with devotional services. The moderator's council submitted a report in which it approved the west for the Gurley Memorial Presbyterian Church. The committee, however, placed a condition in its report that no debt be incurred by the congregation and that no permanent structure be com-pleted or started without the consent of the presbytery. The presbytery there-upon approved the report of the council.

### Change Recommended.

Rev. T. D. Richards, pastor of the Nielsrille Presbyterian Church at Germantown, Md., recommended that the standing rules of the presbytery be amended so that the moderator be elected every six months, instead of each year. Action on this question was deferred until the next stated meeting. A petition was received by the body from citizens of Cobey, Va., asking that a Presbyterian church be esreferred to the moderators' council.
